

Emergency Management Training

Intermediate ICS for Expanding Incidents (ICS-300)

Date: October 12, 13, 14, 2009

Time: 8:30 a.m. to 4 p.m. The 14 will be 8:30 until approx 2 pm

Location: Morehead Armory

Course Description:

This FEMA course describes how the NIMS Command and Management component supports the management of expanding incidents in an integrated local-state-federal system. The course describes the incident/event management process and expanding incidents process as prescribed by the Incident Command System (ICS) for supervisors. Participants will implement the incident management process on a simulated Type 3 incident and develop an Incident Action Plan for a simulated incident.

Student Criteria:

The target audience for this course: those individuals who may assume a supervisory role in expanding incidents or Type 3 incidents. During a Type 3 incident, some or all of the Command and General Staff positions may be activated, as well as Division/Group Supervisor and/or Unit Leader level positions. These incidents may extend into multiple operational periods. This course expands upon information covered in the **IS-100, IS-200 IS700 and IS 800** courses.

These courses are prerequisites for ICS-300 and copies of completion certificates must accompany this application.

Instructions:

1. Application deadline is **October 5th, 2009**
2. Maximum 40 students.
3. Class hours are daily from 8:30 a.m. to 4 p.m.
4. 20 hours of EM credit given for the completed course **(no partial credit).**
5. Students who complete the entire course of study and pass the course examination will receive a certificate of course completion.
6. There are no course fees.
7. NO Reimbursement.
8. If you must cancel, please notify us as soon as possible so we can fill your vacancy.
